# THE VICTORIA CROSS.

*VICTORIA R.*

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents for Us Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be invariably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long services, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. Where the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person entered to the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and the same shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed in the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which claims, though well founded, may not have been established on the spot, We will, on the joint submission of the Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, if not never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron or ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no qualified selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, is hereby directed, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers or Non-commissioned Officers engaged; and two Seamen, Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration on the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and such Admiral, Officer, Seaman, Marine four other Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall marry with Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such Decoration as highly as shall effectually preserve pure the most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred shall be convicted of treason, cowardice, felony, or of any infamous crime, or shall be accused of any such offence and refuse to surrender himself to reasonable time surrender himself to the same, the same shall forthwith be erased from the register of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Sign Manual, and the Pension thereto annexed by the fourteenth shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the [illegible] ment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this [illegible] sixth of January, in the nineteenth year of Our reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

# OFFICERS SETTLING IN THE COLONIES.

## INFORMATION FOR MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN CERTAIN COLONIES.*

1. **Privileges in the acquisition of lands** are at present allowed to military and naval officers in the colonies of New South Wales, Western Australia, some of the provinces of New Zealand,† Ceylon, the Cape of Good Hope, Natal, and British Columbia.

In all the above-mentioned colonies, except Ceylon, the control of the waste lands of the Crown has been transferred to the local legislatures. Her Majesty's Government cannot therefore guarantee the continuance of the following regulations, as they will be liable to be altered or discontinued by the local legislatures.

2. In the above-named colonies land is disposed of by sale only; but officers purchasing land are allowed a remission of the purchase money, according to the under-mentioned scale:—

| | £ |
|---|---|
| Field officers of 25 years service and upwards, in the whole | 800 |
| Field officers of 20 years service and upwards, in the whole | 500 |
| Field officers of 15 or less years service, in the whole | 400 |
| Captains of 20 years service and upwards, in the whole | 400 |
| Captains of 15 years service or less, in the whole | 300 |
| Subalterns of 20 years service and upwards, in the whole | 200 |
| Subalterns of 7 years service and upwards, in the whole | 200 |

Subalterns, under 7 years standing, are not entitled to any remission in the purchase of land.

Regimental staff officers, and medical officers of the army and navy, are allowed the benefit of this rule:—but military chaplains, commissariat officers, and officers of any of the civil departments of the army; pursers, chaplains, midshipmen, warrant officers of every description, and officers of any of the civil departments of the navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the royal navy rank with ensigns in the army, and mates of three years' standing with lieutenants in the army, and are entitled respectively to corresponding privileges in the acquisition of lands.

3. In order to take advantage of this privilege, officers of the army and navy on full or half pay, should provide themselves with a certificate from the office of the General Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, showing that their settlement in a British colony has been sanctioned, and stating their rank and length of service. No document from the office of the Secretary of State is necessary.

4. This certificate will not on any account be issued more than once to the same officer, or to any officer on half pay who shall for two years immediately preceding the date of this notice have resided in the colony in which he seeks to make it available.

5. Gentlemen who have ceased to belong to Her Majesty's service will not be allowed advantages in the acquisition of land. This rule, however, is not to affect officers who, having obtained permission to settle in a British colony, have quitted the service for the purpose of doing so. But, in such cases, it will be necessary that their certificate of service and permission should bear the date of their retirement from the service, and that, within one year from that date, but not otherwise, it should be presented to the Governor of the above-named colonies, which will be a sufficient warrant for allowing the bearer the advantages to which his rank and length of service may entitle him according to the above scale.

6. The object of the regulations being to encourage the permanent settlement in the above-named colonies of military and naval officers, and it being necessary to prevent those who have no intention of settling there from taking advantage of the privilege, officers will not, for the space of two years from the making out of their certificates, receive a Crown grant for any land purchased by such certificates, but will, in the mean time, receive a "location ticket." At the expiration of two years, the officer, on showing to the satisfaction of the Governor that he is *bonâ fide* a resident settler in the colony, and has so resided continuously since receiving his "location ticket," will be entitled to a Crown grant in exchange for it. If, however, application should not be made for the exchange of the "location ticket" within twelve months from the expiration of the two years for which it is granted, it will be considered to have lapsed, and the land will be open to sale or grant. In case of the officer's dying while holding a "location ticket," the land to which it refers will be transferred to his legal representative.

In case of such death occurring before the "location ticket" is obtained, the Governor of the colony is authorized to make the certificate available in favour of the child, or other nearest representative of the deceased officer, as he may find advisable.

7. The Rules for the sale of land in the Australian Settlements, and at the Cape, and Ceylon, will be found at page 65 to 87. The prices stated in those Rules are of course subject to a revision at any time by the proper authorities, and the pecuniary amount of the remission made to officers cannot be increased on account of an increased value set upon the lands.

* This is extracted from Colonization Circular No. 28, issued by Her Majesty's Emigration Commissioners, in which Circular further information will be found.

† By Colonial Office Regulations of May, 1854, the privileges granted to settlers in certain of the Provinces of New Zealand were abolished; and by Regulations of December, 1854, the privileges with regard to Queensland were abolished.

And whereas the price of such Country Lands has been reduced to four shillings and twopence per acre;

And whereas it is expedient to repeal the said Proclamation, and to provide that the remissions aforesaid should be reduced proportionately with the said reduction in the price of Country Land, and free grants of lands substituted for remissions in money;

Now therefore, I do hereby declare, proclaim, and enact as follows;

Every person desiring to take advantage of the privileges accorded by this Act shall before obtaining any of the same, produce to, and leave with, the Chief Commissioner of Lands and Works for British Columbia, a Certificate from the General Commanding in Chief in England, or from the Office of the Lords Commissioners of the Admiralty, showing that the settlement of the said person in a British Colony has been duly sanctioned, and showing also the rank and length of service of such person, but nothing herein contained shall entitle any person to any of the Grants aforesaid, except such person shall at the time of actually settling or residing upon, and recording such Country Lands, be either on half par or full pay; unless the person settling shall have quitted the service for the purpose of settling in a British Colony.

V. Every person who shall have so quitted the service for the purpose of settling as aforesaid, shall before being entitled to the privileges afforded by this Act, obtain a statement by the proper authority, to be made in one of the Offices aforesaid, and upon his Certificate aforesaid, of the date of his retirement from the Army or Navy, for the purpose aforesaid.

XIII. Provided, that such child or children, or other relative, shall enjoy the right to such privileges to the same extent, and subject to the same conditions, as the person dying would have done had he lived.

All lands, of which grants shall be claimed under this Act, shall be taken in one block and not otherwise

XVII. This Act may be cited as the "Military and Naval Settler's Act, 1862."

Issued under the Public Seal of the said Colony, at Victoria, Vancouver Island this twenty-third day of February, in the year of our Lord one thousand eight hundred and sixty-three, and in the twenty-sixth year of Her Majesty's Reign, by me,

MEMORANDUM No. 44.—M.

*Admiralty, 10th October*, 1863

(ASSISTANCE TO BE RENDERED TO THE ACCLIMATISATION SOCIETY.)

My Lords Commissioners of the Admiralty, having had under their consideration the important question of Acclimatisation, are pleased to direct that so far as is consistent with the requirements of the public service, and upon the distinct understanding that no expense whatever is incurred, every facility is to be given by the Commanding Officers of Her Majesty's ships and vessels to any accredited agent of the Acclimatisation Society, who may apply to them through any of Her Majesty's Foreign Ministers or Consuls, or through the Governor of any of Her Majesty's Colonies, for the transport of specimens.

The annexed copy of a circular addressed by permission of the Secretaries of State for Foreign Affairs and for the Colonies to Her Majesty's Foreign Ministers and Consuls and Colonial Governors, in various parts of the world, will explain the objects which the Society has in view.

By Command of their Lordships,

C. PAGET.

ACCLIMATISATION.

*Enquiries addressed to Her Majesty's Minister, Governor, or Consul at*

The Gentlemen to whom these questions are addressed, are earnestly requested to consider the high importance which will be attached to the answers which they may return, and the service which they will render to the cause of Acclimatisation by endeavouring to the utmost of their knowledge, to make those answers as full and otherwise as satisfactory as possible.

The main purposes of Acclimatisation are to introduce, acclimatise, and propagate in the United Kingdom and it Dependencies such Animals, Birds, Fishes, Insects, and Vegetables as are likely to be of use or ornament, whether for domestication or for varying the common food of the people, or for manufacturing, or for any other useful purpose; and whose constitution and habits offer a reasonable prospect of successful cultivation. It is obvious that in India, Australia, Canada, the Cape, and other important Dependencies, unlimited scope is afforded for almost any variety of experiment.

It is confidently expected that the answers returned to these questions by Her Majesty's Ministers, Governors, and Consuls in different parts of the World, will bring together a mass of information on this interesting and highly important branch of knowledge such as never has been collected

Digitized by Google

before, and the benefit which these Gentlemen will thus confer upon their fellow-countrymen will be in proportion to the fullness and exactness with which those answers are drawn up.

In replying to Questions 1, 2, 3, and 8, it is particularly requested that those special qualities which recommend the Quadrupeds, Birds, Fishes, and Vegetables as fit for food or domestic utility may be described. As regards Quadrupeds, Birds, and Fishes, it will be very desirable to collect all the information which can be got as to the best modes of feeding, keeping, and rearing the same, and, as regards Vegetables, any information as to the best mode of cultivation.

| QUESTIONS. | ANSWERS. |
|---|---|
| I. Is there any Quadruped, indigenous or introduced to the Country in which you reside, which (having regard to the above definition of the objects in view) merits attention with a view to acclimatisation in Great Britain or any of its Dependencies? If there be any such, state whether it is attainable at a reasonable rate, and whether it is likely to bear the risk of transport. | |
| II. Is there any such Bird? | |
| III. Is there any such Fish? | |
| IV. Is there any such Insect? | |
| V. Is there any such Timber Tree? | |
| VI. Is there any such Medicinal Plant? | |
| VII. Is there any Fibrous Plant likely to be useful for manufacturing purposes? | |
| VIII. Is there any Vegetable suitable for the food of man, or for forage, or for any other useful purpose? | |
| IX. Do you know any Quadruped, Bird, Fish, Insect, Tree or Plant existing elsewhere, the introduction of which to the country in which you reside would be likely to be beneficial: one of the objects of the Acclimatisation Society being to reciprocate the benefits which it receives from other countries? | |
| X. Does any Organisation exist, or could it be easily called into existence, capable of undertaking the task of introduction? | |

Any Remarks founded upon special knowledge or local information, capable of being made useful to the progress of Acclimatisation, will be desirable.

# THE ALBERT MEDAL.

## *Extract from London Gazette of* 13*th March*, 1866.

**WARRANT INSTITUTING A NEW DECORATION TO BE STYLED THE ALBERT MEDAL.**

*VICTORIA, R.*

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS, We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A. interlaced, with an anchor erect, in gold, surrounded with a garter, in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a Registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribband by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument, have, in saving, or endeavouring to save, the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on the recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction; it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which, in our judgment, disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited, and every person to whom the said Medal is given shall before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid, under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover We shall at all times have power to restore such persons as may at any time have been expelled, to the enjoyment of the Decoration.

Given at Our Court at *St. James's*, this seventh day of *March*, one thousand eight hundred and sixty-six, in the twenty-ninth year of Our reign.

By Her Majesty's command,

G. GREY

## NAVAL MEDALS.

*Admiralty, 7th June, 1848.*

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1. The rule, directed by Her Majesty to be observed in granting this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the full approbation of the Lords Commissioners of the Admiralty.

2. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and conformably with this practice, it is Her Majesty's desire, that persons of every rank, who were present in those actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are hereby forthwith to state their claims for each action in which they may have been engaged, according to the form hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3. Her Majesty has also been pleased to take into gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if accompanied by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and still living, to a medal; provided the answers, to be given in Form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4. It is also ordered, that service in the frigates and other vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to reassemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

The Notice published in the Gazette of 1st June, 1847, is herewith repeated.

*Admiralty, 1st June, 1847.*

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

By command of the Lords Commissioners of the Admiralty,

H. G. Ward.

## DUPLICATE MEDALS AND CLASPS.

*Admiralty, 1st July, 1850.*

My Lords Commissioners of the Admiralty have been pleased to approve of the following regulations respecting the issue of Duplicate Medals and Clasps for the undermentioned services, to replace those lost or stolen, viz.:—

Duplicate Medals and Clasps will be issued to those only who have *not* left the Naval or Marine Service, or to Pensioners, or to persons who, after having left the Navy, joined and are still serving in the Army.

In cases of the loss having been sustained by officers or men in *the performance of their duties*, in the service of the term, the loss will be made good free of charge, provided satisfactory evidence is produced that the loss occurred under circumstances beyond their control; but in cases of loss while they were not on duty, the loss can only be replaced on payment of the price of the Medal or Clasp.

A Medal or Clasp cannot be replaced if the original was lost through negligence or misconduct.

A claim cannot be entertained beyond two years after the loss occurred.

Every application, accompanied by a certificate in the annexed form, must be made through the Commander of the Ship on board of which the applicant is serving, to the Colonel Commandant of the Division of Royal Marines to which he belongs, or, in the case of a Pensioner, to the Staff Officer of the District in which he resides; and the certificate must be stated the description of Medal or Clasp lost, the name of the ship for which it was awarded, and whether or not the applicant was, at the time of the loss, in the execution of his public duty.

As the Duplicate Medal or Clasp will be issued on the Certificates only, great caution should be used in granting them, as the Commanding Officers will be held responsible that duplicates are not obtained improperly.

*Form of Certificate.*

I hereby certify that [blank] has this day appeared before me, and stated that he has lost [blank] which was issued to him for his services on board Her Majesty's Ship [blank], that I have caused the case to be thoroughly investigated, and from the evidence produced I am satisfied that the loss was sustained under circumstances beyond his control, and not through any misconduct or negligence on his part; further, that at the time he was [blank] in the execution of his public duty.

Given under my hand this [blank] day of [blank]

By Command of their Lordships,

[blank], Capt.

# NOTICE.

## NAVAL TURKISH MEDALS.

*Department of the Accountant-General of the Navy, Admiralty, Somerset-House, March 1st, 1850.*

Her Majesty having been graciously pleased to approve of the grant of a Medal which has been awarded by the Sultan of the Ottoman Empire to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the 28th September, 1854, the date of the landing of the Troops, and the 9th September, 1855, the date of the fall of Sebastopol:

Notice is hereby given, that a portion of such Medals have been received in this Country, and will be distributed in the first instance, to Officers and Men on board Her Majesty's Ships in the Home Stations, and persons at present in the United Kingdom.

Further notice will be given when the remaining portion of the Medals shall have been received.

Every applicant must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by a certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1850.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

## RETIREMENT OF 1851—*continued.*

### CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

(Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

T. All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

| | |
|---|---|
| If on 10*s.* 6*d.* Half-pay List when retired . . . . . | 18*s.* per diem. |
| If on 12*s.* 6*d.* . . . . . | 20*s.* ,, ,, |
| If on 14*s.* 6*d.* . . . . . | 20*s.* ,, ,, |

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s.* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

## FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

T. 1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay, as follows:—

If on the 10*s.* 6*d.* Half-pay List when retired, 18*s.* per diem.
If on the 12*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.
If on the 14*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause of these Regulations. They must rather considered as personal favours bestowed on British Subjects by Foreign Sovereigns, and as having no reference services rendered to the Foreign Crown of Hanover.

## REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject unless such Medal is bestowed for military or naval services performed by his command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if the Medal is not to be worn.

(Signed) CLARENDON.

Officers who, when in actual service, may, by the character or length of their service, obtain the special approbation of the Lords Commissioners of the Admiralty, will be eligible to receive Commissions as Officers in the Royal Navy, of the same grade as that with which they may rank at the time. They will then be considered in all respects as Officers on the permanent strength of the Navy.

Officers who, whilst on actual service, shall have distinguished themselves in action with the enemy, or by the character and length of their services, will be eligible, at the conclusion of their service in the Navy, for promotion to the higher honorary ranks of Commander and Captain of the Naval Reserve, at the discretion of the Lords Commissioners of the Admiralty.

Officers to wear the same uniform as Officers of corresponding rank in the Royal Navy, with the following exceptions, viz.:—

Commanders, Chief Engineers, Lieutenants, Sub-Lieutenants, and Engineers.—Instead of each stripe of half-inch lace round the sleeves of the coats, there is to be a stripe formed of two waved lines of quarter-inch gold braid, intersecting each other, so as to form bands half an inch wide, the blue cloth to show between the curves.

The Engineers' Department are to be distinguished by purple velvet stripes, quarter inch wide, between the gold braid waved lines round the sleeves of the coat.

Engineers who are only entitled to one waved line, the velvet stripe is to be worn below the gold braid on the sleeves of the coat.

Assistant Engineers, one waved stripe of purple velvet, quarter inch wide, round the sleeves of the coat above the cuff, without any gold braid.

The buttons to be of the Royal Navy pattern, with the letters "R.N.R." in Old English character, surmounted by a crown.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting of a silver anchor in the centre, surrounded with the words "Royal Naval Reserve" embroidered in gold.

Instead of the bullion loop on the cocked hats, the loop to be formed of two gold braid twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

*Drill.*

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship, they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commander of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

*Messing.*

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz.:—

Lieutenants . . . . 10s. a-day.
Sub-Lieutenants . . . 7s. a-day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

*Discipline.*

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

*Service Afloat.*

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

*Pay and Allowances, and Pensions to Widows.*

Officers will, whilst called out for actual service, receive the pay of their corresponding rank in the Royal Navy.

Officers who may receive hurts or wounds while on active service in the Royal Navy, or whilst undergoing drill, will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

*Repeal.*

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-one, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done or any right, title, obligation, or liability already accrued thereunder.

### AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT, *the 16th day of February*, 1866.

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of February, 1866, in the words following, viz.:—

"Whereas by the fifth section of an Act passed in the twenty-ninth year of Your Majesty's reign, chapter eighty-nine, entitled 'An Act to provide for the better government of Greenwich Hospital,' it is, amongst other things, enacted that it shall be lawful for Your Majesty in Council from time to time, by Order in Council, to appoint such pensions as seem fit to Officers of Your Majesty's Navy, for the time being, entitled to the benefits of Greenwich Hospital, to be enjoyed by them so long only as they are not on the establishment, or inmates of Greenwich Hospital, but in addition to any half-pay, pension, or other allowance coming to them otherwise than under any such Order in Council, and to prescribe the conditions on which such pensions are to be held; and whereas we are of opinion that it would be expedient to award the pensions hereinafter mentioned to officers of Your Majesty's Navy, such pensions to be called 'Greenwich Hospital Pensions,' and to be paid out of Greenwich Hospital Funds. We do, therefore, beg leave to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the following pensions being granted:—

## REGULATIONS ESTABLISHED BY THE LORDS COMMISSIONERS OF THE ADMIRALTY,

### *for the Admission of Boys to the Royal Hospital School at Greenwich.*

The school consists of 800 boys, the sons of commissioned officers, warrant officers, engineers, assistant engineers, petty officers, and seamen, and of non-commissioned officers and privates of marines, who have served or are now serving in the Royal Navy; of men who have served or are now serving in the coast guard; of officers or seamen registered in any way to serve Her Majesty; or of seafaring persons.

With the exception of the right of presentation enjoyed by Lloyd's Patriotic Fund Committee, all claims for admission to the school will be judged of by a Committee of Captains appointed by their Lordships, in accordance with the under-mentioned scale.

*1st Class.*—(1.) Orphans, both parents dead.

(2.) Sons of fathers killed, drowned, or deceased in Her Majesty's service, or while employed by Her Majesty on board a merchant ship, or in action with an enemy, pirate, or rebel.

(3.) Those whose fathers have been wounded or maimed in Her Majesty's Service.

*2nd Class.*—Sons of engineers, assistant engineers, and warrant officers not included in the before-mentioned class.

*3rd Class.*—(1.) Those whose fathers are serving, and whose mothers are dead, according to rating and service of father.

(2.) Sons of pensioners, according to class, not already included. Sons of out-pensioners, and sons of seamen and marines now serving.

*4th Class.*—(1.) Sons of seamen registered in any way to serve Her Majesty.

(2.) Sons of seafaring persons whose claims will be judged of by the Committee of Selection.

The sons of commissioned officers are admissible with the sons of seamen, and their claims for admission considered by the Committee of Selection under the same conditions.

At the request of the parents or guardians of candidates for admission, a "Form of Application" will be sent to them by the Captain Superintendent, Greenwich Hospital; which, when properly filled up, must be returned to him as directed, with the two following certificates:—

1. A certificate of the marriage of the parents; or, if not attainable, other satisfactory proof thereof.
2. Register of the child's birth.

A certificate of the father's servitude at sea upon which the claim for admission is founded, whether in the Royal Navy or merchant service, will be obtained by the proper officer from the Admiralty or from the Registrar-General of Seamen; and due notice will be given without further application, should the child be selected for admission into the school.

Boys eligible for admission must be between ten and eleven years of age, physically fit for sea-service, be able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic.

Boys will be discharged from the school on the first day of the month succeeding that in which they shall attain the age of fourteen years and six months, unless either they volunteer, with the consent of their parents, to enter the Royal Navy,—in which case, if they are physically fit for the service, and of good character, they will be entered as boys on board Her Majesty's Ship 'Excellent,'—or unless they succeed by their talents, industry, and good conduct, in obtaining admission into the "Nautical Division" by competitive examination.

The "Nautical Division" will consist of eighty boys, who will be discharged on the first day of January, April, July, or October, after they shall have attained the age of fifteen years and six months; special cases in which boys are recommended by the Principal of the school for a further time, not exceeding six months, will be taken into consideration by the Lords Commissioners of the Admiralty.

The education of the boys will comprise, in the "Lower Division," the usual elements of a sound English education, geography, English history and grammar, French, and drawing.

In the Nautical Division, in addition to the above, trigonometry, navigation, and nautical astronomy will be taught.

The practical instruction for the out-of-school hours will consist of knotting and splicing, a knowledge of the parts of a ship and rigging, and the great gun and cutlass exercise.

Children of Roman Catholics, or of Protestants not being members of the Church of England, will not be required to learn the Church catechism, and will be allowed to attend convenient places of public worship, in accordance with the religious persuasion of their fathers, provided application be made to that effect at the time of admission, by the father, if living; and if the father be dead at the time of a child's admission, then the marriage certificate or baptismal register of such child, according to the rites and ceremonies of any established religious community, of a date previous to the said father's death, will be received as evidence of the religious tenets of the father; that is, provided no authentic document written by the deceased father be produced, expressing a contrary wish or direction, as regards the religious instruction of such child.

### MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority: and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

III. The Candidate must produce a Certificate of Birth, or Declaration thereof made before a Magistrate.

The Candidate will be required—

1. To write English correctly from dictation, and in a legible hand.
2. To read, translate, and parse a passage from French, or from some other Foreign Living Language.

N.B.—The aid of a Dictionary will be allowed for these Translations.

And to have a satisfactory knowledge of—

3. The leading facts of Scripture and English History.
4. Modern Geography, in so far as relates to a knowledge of the principal Countries, Capitals, Mountains, and Rivers. To be able to point out the position of a place on a map when its Latitude and Longitude are given.
5. Arithmetic, including Proportion, and a fair knowledge of Vulgar and Decimal Fractions.
6. A knowledge of the Definitions and Axioms of the First Book of Euclid.

Should a Candidate be able to speak French or any other Foreign Living Language, it will be noted in his favour. As Drawing is a most useful qualification for Naval Officers, it is recommended that Candidates for the Service should be instructed therein.

If the Candidate be found not qualified at his First Examination, he will be allowed a second trial on the *next* Examination day at the Royal Naval College. Should he not pass his Second Examination, he will be *finally rejected*.

If the Candidate succeed in passing the required Examination he will be at once appointed to a Training Ship for the purpose of instruction.

Lists of Books, Instruments, Clothing, &c., required for the Training Ship, will be sent to the successful Candidates.

VIII. After having completed 12 months' instruction, exclusive of vacations, in the Training Ship, a Cadet will have to undergo the final examination. Should he be found qualified he will be granted a Certificate to that effect, and be appointed to a Sea-going Ship. Should he be found not qualified, he will be discharged.

N.B.—In the case of a Candidate nominated to a First Class Cadetship, upon the recommendation of the Secretary of State for the Colonies, as a native of one of the Colonies, he will be Examined in the first instance on board the Senior Officer's Ship on the station, and will then be required to join the Training Ship in England, as in the case of other Cadets. It is, however, to be fully understood that arrangements must be made for his lodging and maintenance during the vacations (6 weeks at Midsummer, and 5 weeks at Christmas), during which periods he will not be permitted to remain in the Britannia.

Should he again not appear, or fail to pass the examination, he will be *finally rejected*.

## EXTRACT FROM LATE CIRCULAR, No. 288.

*Admiralty*, 23rd *February*, 1857.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service as Midshipmen it must contain the working of the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

3. Such knowledge of Nautical Surveying, as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam Engine.

5. A proficiency in French.

6. He must be a fair practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., in getting tops over and placing a lower cap, in setting up rigging, and especially as to the precautions required in staying lower Masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails on the Ship both in tacking and wearing; in the detail arrangements for mooring and unmooring Ships and getting under-way. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X and XII are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship, and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters, that in Gunnery by a Gunnery or other competent officer; and at these Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII, must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant, in accordance with the three Nos. II., III., IV.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by the Captain of the Commander-in-Chief or Senior Officer of the ships present together; but a Midshipman having served his term of service, and being 19 years of age, who is serving in a ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent Officers—Lieutenant, Master, or Second Master, and if found in all to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and he may forthwith give him an acting order as Mate, but he must be re-examined on the first opportunity that shall afterwards offer by three Captains or Commanders, as above required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate to take rank according to the date of his certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under for two years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent.

2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Mates who have already passed about to present themselves for Examination on board the Excellent on the first* Examination Day after their arrival in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 2nd, 3rd, or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at the College will incur the detention of three months more as a Mate. He may present himself on the next Examination Day, but a second rejection will incur the detention of three months more seniority; he may again present himself on the next Examination Day, but a *third* rejection will cause his name to be removed from the List of the Navy.

XVIII. Officers when they have passed the final examination at the Royal Naval College, as provided for in these Regulations, will be confirmed from the date of their Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day he may have omitted to appear, unless under certified illness to be duly reported at the time.

XIX. Naval Instructors are to keep a School Journal or Register, which is to be produced when required by the Captain of the Ship or the Examining Officers, and the Captain is to allow them reasonable access to the ship's log and chronometers, for the purpose of instructing the Officers in their use.

XX. The Examinations under Articles X and XII are to commence with those Officers who shall enter the Service after May, 1857, and the final Examination at the Royal Naval College, required by these Regulations, is to commence in August, 1862; but any Midshipman, previous to that date, when he may have completed five years service, and who shall have attained the full age of 19 years, may present himself for final examination in Seamanship, Gunnery, and Navigation, in accordance with the foregoing Regulations, instead of having to serve six years as now required; but if he fails in passing his *first* Examination he will not be allowed to come up for re-examination until he has completed his six years of service.

XXI. With reference to Circular No. 38, of the 17th December, 1849,—The final Examination at the Royal Naval College, established by the foregoing Regulations, for the rank of Lieutenant, shall also be extended to the Examination of Officers for the rank of Master, with the exception of the knowledge of French; and the Regulations in regard to the rejection of Candidates, shall equally apply to them.

* By an Order dated 6th June, 1862, Officers are allowed to present themselves to pass in Gunnery on the second, instead of on the *first* examination-day, it being distinctly understood that such indulgence is not to interfere with the Regulations as to the time in which officers are required to pass the final examinations at the R. N. College.

Officers passing for the rank of Master will not be required to pass a Gunnery Examination.

XXIII. The Captains of H.M. Ships are to take care that a convenient place is set apart and proper hours are fixed for instruction by the Naval Instructor, and all Acting Mates and Acting 2nd Masters, as well as all executive Officers under that rank, are to attend, and care is also to be taken that they are regularly instructed in Practical Seamanship, Rigging, and the Steam Engine, and a Monthly Examination Day is to be established.

No. I.

The Examination on leaving the Training Ship will embrace all the subjects of the former Examination, except Latin, and in addition to them it will include

Plane Trigonometry and the Solution of practical and useful Problems.

In Navigation—A Day's Work and Meridional Altitudes, Longitude by Chronometer.

Nautical Instruments. To explain and use the Sextant, Azimuth Compass, Artificial Horizon, and Theodolite.

Some knowledge of the mode of Surveying, and the Construction of Charts.

Explanatory Lectures will be given on the Steam Engine, Practical Astronomy, Nautical Instruments, Mechanics and Hydrostatics, and other subjects of general interest and instruction.

Certificates must be produced, approved by the Captain, from the Master of the Ship that the Candidate has gone through and is competent in the course of instruction in Rigging and Seamanship, and from the Naval Instructor, as to the Candidate's attention to the various branches of his Education, as well as to his general conduct whilst on board the Training Ship.

Engineer Students must gain 1600 marks before they obtain a certificate of qualification. These numbers must include at least half of the numbers allotted to the subjects marked with an *. The certificates will be of two classes. To obtain a first class certificate a Student must gain 1600 marks, which must comprise three-fourths of the numbers in the subjects marked. A first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. The Chief Engineer and Inspector of Machinery will also examine the Engineer Students twice a year as to their progress in practical studies, and no Engineer Student will be entered in the Navy until the Chief Engineer certifies that by his skill as a workman, his knowledge of steam machinery, and his good and steady conduct, he is fully qualified for the appointment of Assistant Engineer.

9. Engineer Students who may fail to attain the required standard *for the scholastic examination* at the end of six years, will be allowed to present themselves a second time, at the next half-yearly examination of the Inspector of Schools; if they fail to obtain their certificates at the second examination, they will cease to be eligible for the Naval Service.

10. The weekly pay of Engineer Students will be 8s. during the first year of their training, and if they are reported deserving by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the sixth, and then increased 3s., making their wages 24s. a week for the last year.

11. Engineer Boys at present in the factories (in future to be designated Engineer Students,) will be placed as nearly as circumstances will admit, on the same footing as the Engineer Students who may hereafter be entered; they will be required to give the same attendance in the school as other Engineer Students, and their five years' training will be lengthened to make up for the time they may spend in school during working hours; those who, at the expiration of their time, have not acquired sufficient skill as workmen to qualify them for examination for Assistant Engineers, will be allowed to remain until they are so qualified, but in no case will they be retained after reaching the age of 21. They will have to undergo the same periodical examinations before the Inspector of Schools and the Chief Engineer and Inspector of Machinery as those who enter as Engineer Students.

12. Persons from the private trade who may be desirous of entering the Navy as Assistant Engineers must be at least 21 years of age, and must apply, as at present, to the Secretary of the Admiralty, furnishing information as to where they have been brought up, and certificates of character and efficiency; orders will then be given for such as may be thought fit, to be examined, as at present, by the Dockyard officers, who are to take whatever further means may be necessary to satisfy themselves fully as to the candidates possessing the requisite practical qualifications. The exigencies of the Service will determine in some degree the nature of this examination. If the candidates pass they will be entered on probation for twelve months, and placed on the books of the ships of the Steam Reserve. They will have to attend the Dockyard School whenever their services can be spared, they will also be afforded opportunities of improving their mechanical knowledge, and if on the spot, they, as well as any other Engineers, will be allowed to present themselves for examination before the Inspector of Schools at any of his half-yearly visitations at the Dockyards. The examination will embrace the same subjects as the final one for Engineer Students; those who pass it will receive a certificate either of the first or second class; a first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. Those who obtain either a first or a second class certificate will not be required to pass another examination, except on engineering subjects, to qualify them for promotion to any of the higher grades. Those who cannot get a certificate from the Inspector of Schools will not be eligible for promotion to Chief Engineers, unless under special circumstances the Admiralty should grant them a dispensing order, but they may rise to the rank of Engineers, provided they can pass the professional examinations.

13. Although it is not essentially required of the Engineer Officers, whether brought up in the Dockyard Factories or not, who obtain second class certificates, to present themselves again at any of the half-yearly examinations, it will be open to them to do so, and if they can obtain a first class certificate it will be regarded, in respect of promotion, as equal to one year's service at sea in the grade they may have attained at the time of passing the examination. A Chief Engineer's qualification for a First or Second Rate, as well as his eligibility for filling superior situations, will be in some measure determined by the class of certificate he may have obtained.

14. These Regulations will apply to Engineers now in the Navy, and to those who may become Engineers, whether brought up in the Dockyard Factories or not.

15. The Inspector of Dockyard Schools, and the Chief Engineers and Inspectors of Machinery, will make to the Admiralty annual reports of the progress and conduct of the Engineer Students and Engineers attending the Schools.

A Second-Class Assistant-Engineer who has served as such in one or more of Her Majesty's Ships, on full pay, for three complete years, may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by order of the Commander-in-Chief, or senior Officer present,—if at home, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for the purpose,—and if abroad, by an Inspector of Machinery afloat, and two Chief Engineers, in the presence of a Captain or Commander. When a First-Class Assistant-Engineer who possesses a certificate from the Inspector of Schools presents himself for examination for promotion to Engineer, he may also pass an examination in engineering knowledge which will qualify him for Chief Engineer.

An Officer must serve for three complete years, on full pay, as Engineer in one or more of Her Majesty's Ships before he is eligible for promotion to Chief Engineer, when he may be examined touching his fitness for that rank, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for that purpose: but he cannot receive a commission as Chief Engineer until he has a certificate from the Inspector of Schools or has been granted a dispensing order from the Admiralty. An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the Senior Officer present, by an Inspector of Machinery Afloat, or by one, two, or three Chief Engineers, according as such Officers may be on the spot, in the presence of a Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing instructions.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for special charge." As a general rule, they will not be appointed to ships bearing Chief Engineers; but they are not, after being so selected, to be considered eligible for promotion to the rank of Chief Engineer.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1860, the words following, viz. :—

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional Reward for past Service, and as an inducement to Officers on the Active List to seek future Service, we would further suggest that the Half Pay of Lieutenants should hereafter be proportionate to, and made dependent upon, their Length of Service.

(Present, the Queen's Most Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of June, 1864, in the words following, viz.:—

"Whereas your Majesty by an Order in Council, dated the 1st of August, 1860, was graciously pleased to authorise us to carry into effect certain changes in the Half-pay and Retirement of Officers of your Majesty's Navy: and whereas we are humbly of opinion that it would greatly tend to the advantage of the Naval Service if certain further alterations and amendments, as hereinafter introduced, were to be made in the scheme approved of in your Majesty's said Order in Council; we would humbly submit the following propositions for your Majesty's gracious approval.

*"First, as relates to Captains.*

"1. That the Active List of Captains shall be reduced from 350 to 300.

"2. That the existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty without having served in their present rank, shall be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

"4. That Captains who shall be found physically unfit for service may, at our discretion, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of 15 years; and if less than that period of service, at the rate of 16s. a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in Paragraph 8.

"5. That we may be empowered, at our discretion, to allow a limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers shall take place under this clause.

"6. That Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, shall be placed on the List of Reserved Rear-Admirals.

"These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a-day; subject, however, to the proviso contained in Paragraph 8.

" 9. That the Active List of Commanders be reduced from 450 to 400.

" 10. That the existing system of placing on the Retired List, under the conditions specified in the Order in Council of 1st August, 1860, all Commanders who have not served within a period of fifteen years either Afloat or in command of Revenue Vessels or in the Coastguard, or as Mail Agent, or Transport Officer, shall be extended to Commanders who have not been so employed during a period of ten years; such Officers, and Officers of Greenwich Hospital of similar rank, to be permitted to assume the rank and title of Retired Captain on reaching the age of 60 or on attaining 18 years' seniority on the List of Commanders, and to receive on their retirement pay on the scale provided for in the said Order in Council, with this difference only, that Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore as half the same period served at sea, instead of one-third, as at present.

" 11. That the same plan of retirement, with its corresponding benefits of rank and Retired Pay, shall be extended to Commanders who may have attained the age of 55, provided they be willing and desirous to accept the same.

" 12. We would further propose that we be empowered, at our discretion, to allow a limited number of Commanders, who may have attained the age of 45, and who are not desirous of further employment, to retire on the foregoing conditions. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers shall take place under this clause.

" 13. That Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of 1st August, 1860, shall, as well as those who may hereafter so retire, be allowed to assume the rank of Retired Captain on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the said Order in Council.

*" Third, as relates to Lieutenants.*

" 14. That the Active List of Lieutenants shall not exceed 1,000, instead of 1,200, the number at which it is at present fixed.

" 15. That Lieutenants who have completed 15 years' sea service in that rank, and who have attained the age of 45, shall be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay and their Widows to be allowed Pensions on the scale provided for in the Order in Council of 1st August, 1860, with this difference only, that such Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

" 16. That Lieutenants who are either now on the Reserved or Retired List, or who may be in future retired under the provisions of the Order in Council of 1st August, 1860, and Lieutenants of Greenwich Hospital, shall be allowed to assume the rank of Retired Commander on attaining 16 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the Orders in Council under which they were respectively retired.

" 17. Lastly, it was provided by Your Majesty's Order in Council of 1st August, 1860, that Commanders and Lieutenants should in future, on being retired from the Active List, be awarded Retired Half-pay, graduated according to length of service; and whereas it has been represented to us that, although this system has, generally speaking, tended greatly to the advantage of these classes of Officers, there have been and may be hereafter cases in which Officers so retired might receive a less amount of pay than that which they would have enjoyed had their position been disturbed by the provisions of the said Order in Council; in order, therefore, to prevent such Officers becoming sufferers by a retrospective regulation, we would humbly submit to Your Majesty that in their present position which, had they continued on the Active List, would have entitled them to any higher rate of pay they should be exempted from the provisions of the Order in Council of 1st August, 1860, and awarded the same amount of Retired Pay as if their position had not been disturbed by those provisions.

" Should Your Majesty be graciously pleased to adopt these our suggestions, we would humbly submit that Your Majesty will authorize us to carry into operation the above arrangements and changes herein contemplated, on the 1st of July, 1864."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) EDWARD EARLE.

*Admiralty, 2nd April 1864.*

Her Majesty, by Her Order in Council of the 5th March 1866, having been graciously pleased to sanction the following alterations and amendments in the present regulations for promotion and retirement in the Royal Navy, as proposed by Her Majesty's Orders in Council of 1st August 1860 and 9th July, 1864, the Lords Commissioners of the Admiralty hereby give notice of the mode in which such arrangements will be carried into effect:

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his Flag will be considered eligible for the appointments of Vice or Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85:—

| | |
|---|---|
| Admirals of the Fleet and Admirals . . . | 17 |
| (But not to be more than three Admirals of the Fleet at one time.) | |
| Vice-Admirals . . . . . | 22 |
| Rear-Admirals . . . . . | 46 |
| Total . . . . | 85 |

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the retirement of Flag Officers who accept Greenwich Pensions and by appointments from age, whether optional or imperative. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay, on receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers, at present on the Active List who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to remain on their places on the Active List if they shall prefer it, or they may be placed on the Retired List of their own request with the consent of the Admiralty. Officers promoted to the Flag List after this date will be subject to compulsory retirement at the ages specified above, whether they have served or not.

8. Captains to be retired on attaining sixty years of age, or when physically unfit for service under the provisions of Order in Council of the 9th of July, 1864. Those already on the Active List who, before attaining the age of 60, shall have served the necessary time to entitle them to promotion to the Active Flag List, are to be allowed to remain on their places on the Active List if they shall prefer it; but no Captain will be eligible for promotion to the Active Flag List after sixty years of age, or if placed on that List.

9. Officers promoted to the rank of Captain, who are authorised by Her Majesty's Order in Council to be exempted from compulsory retirement on attaining the age of 60, are to retire whether they have served or not.

10. Captains of sixty years of age, who have served the

necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List until promoted to Rear-Admiral, to be placed on the Retired List, but will be allowed to rise by seniority to the rank and pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than twenty-five shillings a day, in accordance with the Order in Council of 9th July, 1864.

11. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

12. Captains to be allowed to retire on attaining fifty years of age, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

13. The Captains' List to be reduced gradually to 280, by filling up only two out of every three vacancies caused by non-retirements from that list, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

14. Commanders to be retired at the age of 55, or when physically unfit for service, and to be allowed to retire at 50, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

15. Lieutenants to be retired at 55, or when physically unfit for service, and to be allowed to retire at 45, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

16. Time served by Naval officers in future retiring from Civil employments connected with the Navy, which does not entitle them to Civil superannuation, to be allowed to reckon towards increase of half or retired pay, in the proportion of one year for every two served in that capacity. In the case of Captains, twelve years served in such Civil capacity will entitle an officer to rise to the higher rates of retired pay of Vice-Admiral and Admiral respectively.

## REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commission Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorized by these Regulations cannot be claimed as a *Right*;—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatswain, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon: provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service: but the Admiralty may grant the Pension in cases of Shipwreck before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Pecuniary Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains who shall have married after the 31st of December, 1830) are only entitled to the Pensions of their respective classes in the event of their Husbands having been on the Lists of Commission Officers, or on the List of Naval Instructors, for complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, that provided he had been five years on the List,—or in good health when he married,—and it be clearly shewn that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Chief Gunners, Chief Boatswains, or Carpenters, are only entitled to Pensions in the event of their Husbands having been confirmed in the rank one year, and the Widows of Warrant Officers (Gunners, Boatswains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married to him prior to, her Husband's Service in the Navy, and in case of Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the requisite of time to entitle him to Half-Pay,* but by Order in Council of the 1st November, 1864, the Widows of Chaplains dying after that date, who shall have completed Ten Years' Service on Full Pay, may be granted Pensions although no portion of such service be subsequent to the marriage, provided they are otherwise qualified, according to the existing regulations governing the grant of Pensions prior to the 31st of December, 1830, shall be paid to them

* See Circular No. 67, 1 December, 18[illegible].

selves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of *their Pensions.*

10. In all cases of a Widow re-marrying, on or after the 6th August, 1861, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, *upon proof* being adduced to the Admiralty that she is not in wealthy circumstances, and is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage. Widows who are re-married before the date of these Instructions, and thereby forfeited their *Pensions*, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, shall—in order to facilitate the decision upon the claim of his Family *after his decease*, to the benefit of these regulations—notify his marriage *within six months* of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted in Scotland none will be admitted, for the purposes of these Regulations which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated, — or by an authenticated Acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *in Scotland, in* presence of a Magistrate, according to the Form in the Appendix.

13. *Mothers.*—When an Officer is killed in action, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

14. *Sisters.*—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

15. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed in action, or drowned.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home.
6th. Children of Officers dying on Half-pay.

17. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen*, or are otherwise previously provided for;—and these to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

## BY THE QUEEN.

## A PROCLAMATION.

*VICTORIA* R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Twenty-ninth Day of June One thousand eight hundred and sixty-five, regulating, according to the Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say,

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy, or in other captures seizures, rewards, or any distributive proceeds as aforesaid made by any ships or vessels which shall sail from or enter such port by order of the Lord High Admiral, or of the Commissioners for executing the Office of Lord High Admiral.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to the station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorized by Our said commissioners to take the command of the station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received such order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station, he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of

the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or by acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship of a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captains, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants commanding, staff commanders commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or master commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops.

At the Court at *Windsor*, the *5th* day of *December*, 1865.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is enacted (among other things) that the several shares of any money in the several cases in the said Act enumerated distributable among the officers and crew of any of Her Majesty's ships-of-war shall be paid to the persons entitled thereto, in such manner and subject and according to such restrictions, conditions, and provisions as might from time to time be directed by Order in Council:

2. The Order in Council of the first day of November, one thousand eight hundred and sixty-four, under the said Act is hereby repealed; but not so as to revive any regulation, practice, or other thing thereby abolished, or to affect the past operation of that Order, or the validity of anything done thereunder.

3. Terms used in this Order have the same respective meanings as in the said Act.

*Payment of Prize Money into Bank, &c.*

*Gazette Notice.*

5. Before any money distributable as aforesaid is actually distributed, notification shall be given by advertisement inserted in the 'London Gazette,' under the direction of the Admiralty.

*Prize Remittances.*

*4. For* the purposes of the provisions of this Order respecting Prize Remittances, the proper certifying authority shall be (in the several cases hereinafter mentioned) the following, namely:—

8. Remittance bills shall be paid in the United Kingdom by any officer of the revenue, and at Sierra Leone by the commissariat officer, who respectively shall comply in all *respects* with the instructions of the Admiralty printed on the authority for payment addressed to the paying officer.

9. The amounts so paid shall be repaid to the respective departments in the same manner as at present, subject to such alterations as the Lords Commissioners of Her Majesty's Treasury and the Admiralty from time to time direct.

10. A remittance bill shall not be paid without a certificate from the proper certifying authority that the holder of the duplicate of the authority issued to the paying *officer* is the person named as payee in the duplicate.

11. Payment shall only be made to the payee personally, unless on any occasion the payee is unable from illness or bodily infirmity to appear personally, in which case payment on that occasion shall be made to the person producing—

(1.) The duplicate authority, together with the payee's order in writing, signed and witnessed, for payment to that person; and—

(2.) A certificate from the proper certifying authority of the payee's being unable from illness or bodily *infirmity* to appear personally; or—

(3.) A like certificate from the payee's legally qualified medical attendant;

provided the paying officer does not doubt the authenticity of the order or the truth of the certificate.

*12. Payment* shall not be made unless the paying officer is satisfied of the title of the claimant.

13. If on any application for payment the paying officer entertains any doubt as to the claimant's title to payment, *he* shall inquire into the matter, and may require from the claimant such statutory declaration or declarations of the claimant alone or with any other person or persons as the paying officer thinks requisite.

14. On paying a prize remittance bill, the paying officer *shall take* a receipt on the authority for payment addressed to him, and shall certify thereon (where so required) to his having satisfied himself of the title of the claimant.

15. Every certificate under this Order shall state the character in which each person certifying subscribes the *same*.

*Assignments by Warrant Officers.*

16. Any assignment made by a warrant officer of any prize money shall be void, unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such assignment there shall be paid so much money only as appears to have been actually paid as consideration for the *same*, with interest thereon, at five per centum per annum.

*Prize Orders of Subordinate Officers, Seamen, and Marines.*

17. In this Order the term "subordinate officer, seaman, or marine," includes every person belonging to Her Majesty's naval service, or being a supernumerary attached thereto, except commissioned and warrant officers, and assistant engineers of the second class.

18. The share of any subordinate officer, seaman, or marine, of any prize money, shall not be paid to any person other than such subordinate officer, seaman, or marine himself, or the person named in an order drawn by him as hereafter in this Order prescribed; but this restriction shall not apply to any money (being such a share or part thereof) remaining unpaid on the promotion of a subordinate officer to the rank of commissioned officer, or of a seaman to the rank of warrant officer.

19. Every such order shall be drawn on a printed form issued for the purpose by the Accountant General of the Navy.

20. Every such order shall be drawn in favour of some one or other of the following persons, by name:—

The drawer's wife;

" son or daughter,
" brother or sister,

the payee being so described in the order.

21. Every such order shall be signed by the drawer in the presence of the person or persons who is or are to certify according to the directions subjoined to the form of order.

22. Every such order shall be irrevocable during the life of the payee, unless in special circumstances the Admiralty think fit to allow of revocation.

23. Every such order shall be absolutely revoked by the death of the payee, so that no interest therein shall pass to the payee's personal representatives.

24. Nothing in this Order shall affect any order drawn by a subordinate officer, seaman, or marine, before the first day of January, one thousand eight hundred and sixty-five.

25. *Unclaimed and Forfeited Shares.*

26. If the share of any person of any prize money is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed and shall be dealt with accordingly.

27. Notwithstanding that any such share has been forwarded or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the naval prize cash balance.

*Closing of Accounts.*

28. All accounts relative to any prize-money (whether the same became distributable before or after the commencement of this Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

*Persons of Unsound Mind.*

29. Where it is made to appear to the satisfaction of the Admiralty that any person entitled to a share of any prize-money is of unsound mind (though not found lunatic by inquisition), the whole or any part of such share may be paid over under the direction of the Admiralty to the wife or relative or other person having the care and maintenance of such person, to be applied for his maintenance and benefit.

*Repayment from Greenwich Hospital.*

30. All sums from time to time certified by the Accountant-General of the Navy to have been paid to claimants and others proving themselves entitled to shares of any prize-money, which was, before the first day of June, one thousand eight hundred and twenty-nine, paid into Greenwich Hospital, shall from time to time be repaid under the direction of the Admiralty out of the property held for the benefit of Greenwich Hospital.

*Annual Account.*

31. An account showing all the receipts and expenditure on account of prize-money made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

CIRCULAR No. 25.—L.

*Admiralty, 14th July, 1856.*

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorise the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which may not exceed 100*l.*, will be placed as a charge against the proceeds of the Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the responsibility of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,

W. G. ROMAINE.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

# ENTRY AND DISCHARGES OF SEAMEN AND MARINES.

CIRCULAR No. 31.—N.

*Admiralty, 23rd August, 1836.*

DIRECTIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

My Lords Commissioners of the Admiralty are pleased to send to the following regulations for the Medical Examination of Officers, Men, and Boys for the Royal Navy and Marines; some of those contained in article 34, pages 397 and 398 of Queen's Regulations and Admiralty Instructions, and in article 14 of the Instructions to Surgeons and Agents of Sick Quarters.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds, or injuries of the bones of the head, whether his sight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should the person present no outward appearance of unfitness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect

Digitized by Google

or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhœa; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula lachrymalis, and ptosis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, and polypus.

7. Disease of the throat, palate, or tonsils; unsound teeth, offensive breath from constitutional causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis, dyspnœa, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

10. Swelling or distension of the abdumen, undue obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distention of the abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

11. The non descent of one or both testicles, varicocele, hydrocele, and sarcocele.

12. Fistula or fissure of the anus, hæmorrhoids, condylomata, or prolapsus of the rectum.

13. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause; aneurism, a varicose state of the veins, especially of the leg. Chalky deposits, bunions, distortion, deformity, or malposition of the fingers or toes; nodes; flat-footedness.

14. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

As is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicisitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Naval Officer of the Royal Navy or of the Royal Marines is again subjected to examination, unless he receives a continuous service, or there is reason to believe that he is labouring under some disability contracted or existing at his entry,—or, on going on foreign service.

By command of their Lordships,
HENRY G. LEIR.

To all Commanders-in-Chief, &c.

# THE VICTORIA CROSS.

*VICTORIA R.*

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue ribaud for the Navy and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person wearing the Cross, under rule seven, shall be publicly presented before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person entitled, per rule eight shall receive his Decoration as soon as he, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Force employed in the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to the Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise of persons falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral, or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without such clear proof of the performance of the act of bravery on which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a soldier, a ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and the impossibility of selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, is hereby direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers or Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration on the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross, shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it a further Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional pension as shall effectually preserve pure this mark of especial distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the register of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under the said fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; provided, however, We shall at all times have power to restore such person to all or any of the rights he may have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

# THE ALBERT MEDAL.

## *Extract from London Gazette of* 13*th March*, 1866.

WARRANT INSTITUTING A NEW DECORATION TO BE STYLED THE ALBERT MEDAL.

*VICTORIA, R.*

*VICTORIA*, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

*WHEREAS*, We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the *lives of those* who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of attaining an end so desirable as that of rewarding such *actions* as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are *graciously* pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "*The Albert* Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A. interlaced, with an anchor erect, in gold, surrounded with a garter, in bronze, inscribed in raised letters of gold "For Gallantry in Saving *Life* at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

*Secondly.—It is* ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a Registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument, have, in saving, or endeavouring to save, the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction; it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which, in our judgment, disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, to the enjoyment of the Decoration.

Given at Our Court at *St. James's*, this seventh day of *March*, one thousand eight hundred and sixty-six, in the twenty-ninth year of Our reign.

By Her Majesty's command,

G. GREY.

## NAVAL MEDALS.

*Admiralty, 7th June, 1848.*

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,

H. G. Ward.

The Notice published in the Gazette of 1st June, 1847, is herewith repeated.

*Admiralty, 1st June, 1847.*

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

By command of the Lords Commissioners of the Admiralty,

H. G. Ward.

# NOTICE.

## NAVAL TURKISH MEDALS.

*Department of the Accountant-General of the Navy, Admiralty, Somerset-House, March 1st, 1839.*

Her Majesty having been graciously pleased to approve of the grant of a Medal which has been awarded by the Sultan of the Ottoman Empire to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the 17th September, 1854, the date of the landing of the Troops, and the 9th September, 1855, the date of the fall of Sebastopol,—

Notice is hereby given, that a portion of such Medals have arrived in this Country, and will be distributed in the first instance, to Officers and Men on board Her Majesty's Ships on the Home Stations, and persons at present in the United Kingdom.

A further notice will be given when the remaining portion of the Medals shall have been received.

Every applicant must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by a certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the application for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1839.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

Digitized by Google

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers at present on the Active List, who may be retired under these regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice and Rear Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85.

| | | |
|---|---|---|
| Admirals of the Fleet and Admirals (But not to be more than three Admirals of the Fleet at one time) | 21 | |
| Vice-Admirals | 22 | |
| Rear-Admirals | 42 | |
| | 85 | |

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half Pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

## RETIREMENT OF 1851—*continued.*

### CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

(Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

## FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

T. All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

| | |
|---|---|
| If on 10*s.* 6*d.* Half-pay List when retired . . . . . | 18*s.* per diem. |
| If on 12*s.* 6*d.* . . . . . | 20*s.* ,, ,, |
| If on 14*s.* 6*d.* . . . . . | 20*s.* ,, ,, |

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s.* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

## FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

T. 1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay, as follows:—

If on the 10*s.* 6*d.* Half-pay List when retired, 18*s.* per diem.
If on the 12*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.
If on the 14*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18*s.* or 20*s.* a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years, and, if less than that period of service, at the rate of 15*s.* a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, while

having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25*s.* a-day, subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25*s.* per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained, or may hereafter attain, the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20*s.* a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

## FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 24TH MARCH, 1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List, who, before attaining the age of 60, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25*s.* a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July, 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

## RETIREMENT OF 1851—*continued.*

### COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically in-

capable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May*, 1863).

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

## FURTHER RETIREMENT OF COMMANDERS AND LIEUTENANTS AS EXTENDED BY ORDER IN COUNCIL OF 30TH JAN. 1856.

This Order in Council provides—

1st. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each

succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

2nd. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 25th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

Further, as regards Lieutenants, this Order in Council provides that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1851) be increased to 100: such increase to be effected by selecting from the Active List of Lieutenants, a number not exceeding 15 in the present, and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

N B.—Officers who may in future be promoted to the rank of Commander for good service in the Coast Guard, or in command of Revenue Cruizers, will be promoted to the Reserved List, except only in individual cases in which, on the special recommendation of the Comptroller General of the Coast Guard, the Lords of the Admiralty may think it desirable to retain the services of the Officer so recommended, by promoting him to the Active List. Such annual Promotions to the Reserved List will be irrespective of any vacancies on that List; but on the death of an Officer so promoted, his vacancy will not be filled up.
